ID	Question	Explanation
1	Form F2020-012248 published on 14.4.2020 in the Public Procurement Bulletin states the estimated value of the contract at CZK 9,000,000 excluding VAT. The estimated value of the contract is no longer stated in the tender documentation. Is the value of the contract stated in the Public Procurement Bulletin also a maximum value? Will a supplier who exceeds this value be excluded from the tender?	No. The estimated value of the public contract is not set by the contracting authority as the maximum. Exceeding the estimated value of the contract is not a reason to exclude the participant.
